Singing 'a new song'

"Living God,... you but breathe, and new life breaks forth within us..." (Father William O'Malley; [More Daily Prayers for Busy People](#)).

Together in worship one Sunday back in the month of March, our congregation sang what was for us at the time "a brand new song." It's a worship response from Integrity's Hosanna! Music entitled "Think About His Love." The song lyrics are based on Psalm 103. Here are the lyrics adapted to incorporate inclusive language: "Think about God's love; think about God's goodness; think about God's grace that's brought us through. For as high as the heavens above, so great is the measure of our God's love. Great is the measure of our God's love."

Singing "a new song" is a risky venture. Sometimes the song goes over well. Sometimes it does not. We never know unless we try, do we?

It is a healthy act of faith to sing "new songs" from time to time. Of course, many love to tell the old, old story. And it is important to sing songs which we already know by heart as a way of expressing our faith. Yet Living God advises us not to limit ourselves to only what we are already familiar with. This is true, not only in music, but in all

areas of life. God also summons us to sing "new songs." Indeed, the only way to learn a song by heart is to sing it in the first place. Even those songs which we now have memorized were once brand new to us. We learn and develop new favorites by trying out "new songs." Quite a few biblical psalms speak of this. (Psalms 33, 40, 96, 98, 144 and 149)

So it was that back on a Sunday in March this year, you and I tried out "a new song." This was one clear instance of our congregation faithfully embracing God's Word. Actually, there are many such beautiful instances occurring within the life of Ivy Chapel UCC. "Think about God's love,... God's goodness;... God's grace that's brought us through. For as high as the heavens above, so great is the measure of our God's love." Let's keep surprising and delighting God by learning "new songs." God is doing marvelous things! (Psalm 98) Watch for them, be amazed, and celebrate!

"Sing to God a new song! Sing to God, all the earth!" (Psalm 94:1) Give one a try.

God delights in discovering people singing "new songs,"

Pastor Dan

The Note

As I write this, we are still in the middle of yet another crazy month. I still feel like its not AS crazy as April, but its still pretty busy. I just wrapped up my annual spring piano recital, and I still have another concert to prepare. I often wonder what it would be like to not be a musician and not have my work constantly on display to judge. It is a nice reminder to myself to not judge others. Anyway, the entire DiVesta family is looking forward to summer. Miller has had a count down for two months at least. Aaron is looking forward to me not working so much. Since I have been so busy, he has had to pick up the slack. I don't think he'll ever take how much I do in the house for granted again! I'm looking forward to not working so much and maybe catching some baseball games. I hope all of you reading this out there enjoy your summer as well. Let me know if you find something awesome to do. I know we are thinking of going to the Shakespeare Festival June 8th. Aaron's band is playing at Jungle Boogie at the zoo on June 15th. Just a lot of super fun things happening.

Since we are talking summer, let's switch gears and talk about summer music. I've had some interest in summer music, but I still have many holes to fill. Do you have some ideas? Please let me know. Let's make this summer of music the best ever!

Finally, since we're on the topic of summer music, remember this is the time of year that the Chancel Choir takes a well deserved break. I hear compliments weekly on how amazing the choir is. They work so hard and sound terrific. Please make sure you thank them for their extra hard work nine months out of the year! I am so thankful for every single one of them, and I hope you are too.

Until next time! Smiles,

Mary and Martha Wms Group

The Mary and Martha Women's Group met on May 21st and decided to add \$25.00 to the Plant Sale Proceeds of \$475 and \$250.00 will go to the Ivy Chapel Budget and the same amount to Unleashed Potential (formerly UCC Neighborhood Houses) for their summer programs.

We looked at some finished Chrismons and planned for additional ones. These will be available to buy at the Harvestfest.

We planned a Luncheon for Ivy Chapel Women at noon on Tuesday, June 18th in Fellowship Hall. Besides food, there will be door prizes. Irene Gulovsen will be our speaker following lunch. Her topic will be the story of Leah and Rachel. She suggests reading Genesis 29 before coming and if you would like to read further go through to Chapter 35 and finish with Chapter 49, verse 31. We hope you can attend!

We finished our meeting making favors for the luncheon.

Sun., Aug. 25th-Dessert for a Dollar following worship.

Maybe a trip to Circle of Concern Food Pantry in the fall.

Trustees

Thank you to Julie Mc Allister and Dave Mentzel for all their hard work on both large islands in the parking lot. They have completed much work along with purchasing and planting of new flowering cherry trees like those in Washington, D. C. These will be a beautiful addition to Ivy. Thank you again!

Council requested Trustees create a list of projected capital project needs for the next five years. As requested, a five year plan for Ivy Chapel was created and presented at April's Council meeting. Council discussed and narrowed the list to around five items. Trustees were then directed to gather information and projected costs for those selected items. These items along with associated projected costs will be discussed at the May Council meeting.

The roof issue continues and no new information is available at this time. The contractor, John Beal has promised that all will be remedied to our satisfaction.

PLANNING AN EVENT? PLEASE REMEMBER...

Because Outside Groups use our facility, please ask Frieda Clark to check the office calendar to schedule an event. The church calendar (even in the newsletter) has a section at the bottom of the page with the Pre-scheduled outside group events.

Aluminum Can Recycling

For some years now, Jack Molyneaux kindly does the task of recycling our aluminum cans.

We have a brown container, with a hole in the lid, for aluminum can recycling at the corner of Fellowship Hall near the kitchen.

All proceeds from the aluminum go to help fund youth programs.

Thank you to Jack and our members for taking care of the earth by recycling!

For a couple of years, Julie Mc Allister and Dave Mentzel have devoted their time, money and sweat to redesign and replant the bird bath island.

First they started with a nice white cross and low growing shrubs.

This year they planted Hosta and three Japanese Cherry trees (the kind planted in Washington, D. C.), one of which you see on the right.

Dottie Foster assumes responsibility for making the Memorial Garden a place of beauty and serenity while Ronn Foster keeps the fountain clean and running. They transform it in the Spring and put it to bed in the Fall.

The Trustees help to keep the walkway in repair and the ivy trimmed.

The garden has a bench to sit on to enjoy the beauty and serenity.

One of our members kindly donated this bird house to Ivy Chapel. As part of their beautification project, Julie Mc Allister and Dave Mentzel were kind enough to mount it on the north tree in the finger island.

In Nature, nothing is perfect and everything is perfect.
 Trees can be contorted, bent in weird ways, and they're still beautiful.
 Alice Walker

As part of Julie Mc Allister and Dave Mentzel's beautification project of Ivy Chapel, Dave donated his old, used bricks to create a walk across the finger island.

To the right is one of three Japanese Cherry trees they planted.
