

# **SPECIAL MESSAGE FROM JOHN WEILAND**

## **UPDATE ON IN-PERSON WORSHIP**

We would like to inform our church membership of a new change in our in-person worship protocols, which will become effective moving forward.

While we have been requesting that those who plan to attend worship contact Gail Thoele to place a reservation prior to noon on the Saturday before worship, reservations will no longer be required to attend worship on Sundays.

We appreciate everyone's cooperation in implementing our health and safety guidelines to maintain a safe and welcoming worship environment.  
[Masks are still required.]

*Thanks,  
John Weiland*
