

DIAPER DRIVE

Babies require up to 12 diapers a day!

You can't buy diapers with food stamps or get them through WIC.

Diapers cost an average of \$75-\$100 per month!
(That's nearly 10% of the yearly income of a person
living at the poverty line.)

**Ivy Chapel is helping the St. Louis Area Diaper Bank
FILL THE WAREHOUSE!**

Now through October 10th, please donate **size 5 and 6** diapers.
(Look for the diaper pail in the narthex!)

THANK YOU for Taking Action!
