## 2025 Tornado Disaster Relief

On Friday, May 16, 2025 an EF3 tornado struck St. Louis County and damaged two UCC church buildings, First Congregational UCC of St. Louis and Pilgrim Congregational UCC. These churches sustained direct impacts and serious damage. Financial donations are especially appreciated, as they give us the flexibility to respond where the need is greatest. We have created a dedicated 2025 Tornado Response Fund to support the recovery of affected churches and members. Your contribution helps rebuild not only physical structures but also the vital ministries they support. Thank you for standing with us in compassion and solidarity as we begin the journey toward healing and restoration. Donations can be made online through Ivy's website under the "News and Announcements" links on the main page.

Thank you.

## Leading Worship
