Note from Kara

Thank you Ivy for your continued patience and prayers as I have been on this medical journey over the past two months. I am definitely moving in the right direction finally and very much looking forward to things returning to normal.

Unfortunately I will be on medical work from home until August, but I am to be cleared to come back into the office at that point.

Again , I cannot thank you enough for the support it has meant the world to Ed and I to know we have the Ivy family behind us during this time.

HAPPY BIRTHDAY!
