Deacons appreciate everyone's cooperation in maintaining a safe and welcoming worship environment. We ask that everyone continue to respect those with compromised immune systems and take precautions as needed.

HAPPY FATHER'S DAY!

Sending appreciation, Love and thanks to all who take on the role in all different ways and help to guide us, raise us, shape us and love us. We wouldn't be the people we are today without you! Have a wonderful day!

The upgraded door and security measure installation has been scheduled! Our hardware is enroute and we have appointments starting on June 30th, and the complete installation of all measures should be completed by the first full week in July!

Mark your calendars for the first training session on the new features and how to use the doors on Sunday, July 18th at 11:30 after Fellowship time.

There will be another training session In August if you can't make it to the July session— and you can always contact Kara in the office with questions.
